# East High School

JUNE  
1967

DES MOINES, IOWA

Workers pour concrete into temporary forms for the foundation of East High's new addition.

Workmen look over the materials used in making forms for the foundation.

## ***Construction Begins***

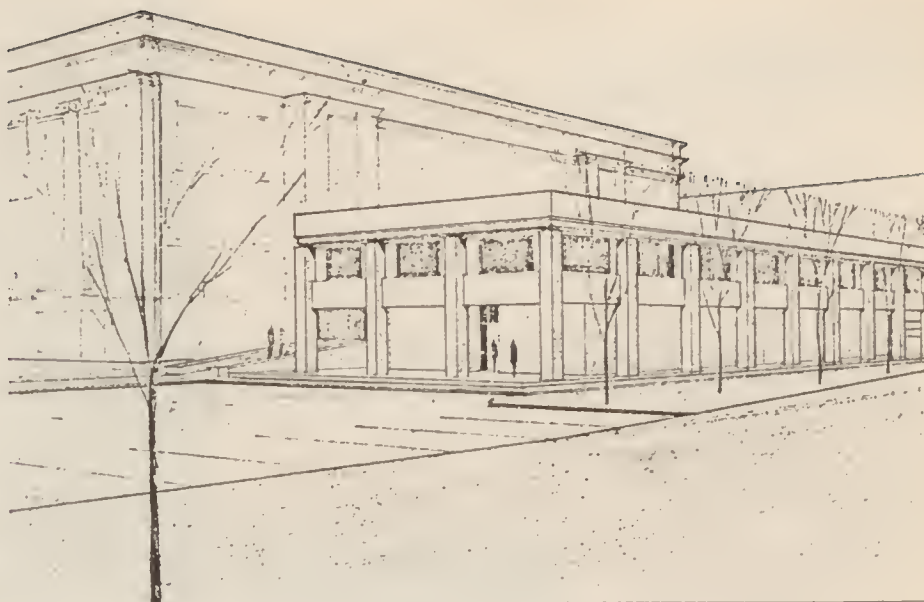

After the dirt has been filled around the piers of the foundation, the beginning of EHS's new addition awaits completion.

Constructing the first primary wall, two workers lay the stone blocks. The primary wall will later be covered with decorative facing.

## New Addition And Parking Lot For EHS

After being leveled, the site of East's new parking lot is ready for surfacing.

The new addition being planned for East High will include a new library, eight classrooms, two conference rooms, an instructional classroom, and an audio-visual room. The addition will cost approximately \$476,000 and will have about 23,000 square feet.

The library, which makes up about one-third of the total area of the project, will provide for 20,000 volumes and have 8,057 square feet of floor space.

The new parking lot will replace the five houses south of Walker on East 13th Street. The lot will cover 32,000 square feet and will be covered with crushed rock.

The new addition to East High is nearing completion.

The newly developed parking lot for EHS is well underway. East High can be seen in the background.

It is the education which gives a man a clear conscious view of his own opinions and judgments, a truth in developing them, an eloquence in expressing them, and a force in urging them. It teaches him to see things as they are, to go right to the point, to disentangle a skein of thought, to detect what is sophistical, and to discard what is irrelevant. It shows him how to accommodate himself to others, how to throw himself into their state of mind, how to bring before them his own, how to influence them, how to come to an understanding with them, how to bear with them. He has the repose of a mind

which lives in itself, while it lives in the world, and which has resources for its happiness at home when it cannot go abroad. He has a gift which serves him in public, and supports him in retirement, without which good fortune is but vulgar, and with which failure and disappointment have charm. The art which tends to make a man all this is in the object which it pursues as useful as the art of wealth or the art of health, though it is less susceptible method, and less tangible, less certain, less complete in its result.

***Miss Nelson  
Adviser***

***Mr. Jackson  
Principal***

***Mr. Cooper  
Vice-Principal***

Mr. Jackson, who is always interested in our visitors, takes time out of his busy schedule to guide them personally through our halls. He is shown extending an EHS welcome to our Brazilian visitor.

East High's girls' adviser, Miss Nelson, is a very dedicated individual. She not only helps solve the problems of the female population, but also supervises social events and senior activities.

Seen addressing the student body is Mr. Jackson, who is always willing to work with students.

Mr. Cooper, who is kept busy with various daily problems, advises Sherman Rupe of his position in the problem at hand.

## Hiatt Gains Cooper

Mr. Phillip Cooper, vice-principal at East, will take over the reins at Amos Hiatt Junior High when he assumes the principalship there next year.

He earned his B.A. degree at Drake University and the M.A. from Colorado State. Mr. Cooper's first teaching experiences were here at East, as a student teacher. For the last five years he has served as vice-principal and boys' adviser.

East High can well be proud of Mr. Cooper, a man who has so well helped solve the daily problems of students and the coordination of school affairs.

# Helpful and Competent

The important jobs of handling East High's business, keeping accurate records, and maintaining correspondence are some of the numerous responsibilities of the office staff. Pictured from left to right are Mrs. Rodgers (steno-clerk), Mrs. Merrill (secretary), Mrs. Gilbreath (attendance clerk), Mrs. Losen (steno-clerk), Miss Romig (registror), and Mrs. Hemer (bookkeeper).

## Counselors

Seldom idle, the counselors at East High work with the interest of the students in mind. They help new and old students in scheduling and gearing their courses to fit their abilities and interests, as well as handling college and other test scores. These responsibilities help the counselors in guiding the student through his high school years.

# Student Participation In Discovery

The study of biology, concerned with the phenomena of the life and growth of plants and animals, involves as its highlight the dissection of worms and crayfish. Chemistry covers the composition of substances and the transformations which they undergo. Students are able to make these observations when they go in the lab and conduct experiments on their own. Physics is directed in the same manner. Through labwork, students are able to carry on experiments and observe the outcome.

Under Mr. Sloan's direction, Mary Bergstrom gets a closer look at some bacteria.

## Preparing For A Space-Age Future

Barbara Breuklander and Mr. Storer explain a math problem to the class with the aid of the over-head projector.

Space travel, engineering developments, and technical advancements make math an indispensable course. To keep pace with these discoveries, courses are offered which give the student a basic understanding of probability and prepare him for further study through courses such as trigonometry and college math. Also offered in the Math Department are first- and second-year algebra and geometry. If the future lies in these fields of discovery, then East is out front in readiness.

# ***Basic Organization In Writing Skills***

A presentation of literary criticism is given by Mrs. Rieck in English class.

To be able to read and comprehend that reading is of importance in a world in which news happens every day. Of importance outside school is the ability to express oneself in a clear and organized manner, and this comes from assigned work in the classroom. Basic organization in themes, and unity between paragraphs within the themes is practiced; students are then able to take command of a topic and present it clearly to others.

## ***"The Past Pauses For The Present"***

In compliance with the proverb that history repeats itself, East prepares us to understand world events by requiring three years of social science for each student. These three years give us World History as sophomores, American History as juniors, and American Problems and Economics as seniors. Also offered at East this year for the first time is the Latin American History course for seniors. Combined, these courses provide a sound basis for better participation in our democracy.

Mr. Tannatt clarifies a point brought up in a discussion in American History.

# The World Of Languages

Foreign languages play an important part in the East High curriculum. Elective courses offered for two years or more, the languages include French, German, Latin, and Spanish. In these courses students learn about the customs of the country where the language originated, the history of the language, and how to speak the language. One of the devices used in learning to speak the language is the language lab, where students listen to tapes.

Mr. Dalan shows students how to pronounce a vowel sound through the use of a tape recorder.

Mrs. Kuyper and Mrs. Williams watch as Dave Reinier uses the Automatic Spelling Unit.

## Reading Skills Improved

The Study Skills Center is designed to be helpful to students on all levels. The instructors work with various reading and study problems. They try to determine the students' problems and help in correcting them. Included are phonics, vocabulary skills, and spelling. The student with the need to develop faster reading habits and better comprehension is aided. Individual and group instruction is provided.

## Energy Through Activity

The major purpose of the Physical Education program is to develop skills and keep students physically fit. A variety of activities is stressed to find one enjoyed by everybody. Time in class is devoted to learning basic skills and developing sportsmanship and leadership. Activities included in the gym classes are basketball, volleyball, gymnastics, and rope jumping for girls; and basketball, trampoline, gymnastics, and wrestling for boys. In swimming, which all Sophomores are required to take, students not only are taught to swim but also are taught water safety.

Mr. Bogdonos, gym instructor, is shown seated at his desk in the gym office.

Mr. Wanek shows a student, Ruby Burris, one of the fundamentals of typing, a course taught in commercial arts.

## Learning About Business

To lead students into the business world is the purpose of the Commercial Arts Department. Many students train for future careers in either sales or stenographic work. Business subjects include commercial law, commercial arithmetic, commercial geography, salesmanship, merchandising, and distributive education. Stenographic subjects include shorthand, typing, notehand, bookkeeping, and clerical practice. Seniors taking these courses can arrange to attend school half the day and work at part-time jobs the other half.

## Skill And Safety Taught

In Driver's Education a student is taught rules of safety and the basic laws of the state, as well as how to drive. The program provides for 30 hours of classroom instruction and six hours behind the wheel. This year, for the first time at East, simulators were used. With the successful completion of the course the student may secure his license by passing a driving test given by the Highway Patrol.

Mr. Sargent points out the position of a car on the magnetic driving board.

Mr. Rasmussen, Industrial Arts instructor, demonstrates a few of the tools used in woodworking.

## Training For The Future

Industrial Arts is a general preparatory course given in drafting, woodworking, metal, and auto mechanics. While working in the shop and classroom, students form an appreciation of workmanship, design, responsible thinking, and physical dexterity. To gain and further add to this appreciation, each student is given a separate project that gives him the personal incentive to do a good job and possibly follow a vocation in trade and industry.

Miss Grabill, who has taught at East High for seven years, is shown giving Sherry Viere some helpful advice with her sewing project.

## Practical Skills Learned

Sewing, cooking, and family management are the divisions of the Homemaking Department. In the cooking division, fundamentals of nutrition, meal planning, and preparation are taught. The sewing division includes selection, care, and construction of garments.

Family management students learn how to have better family relations and how to prepare for their family life in the future.

## Creativity Is Encouraged

Principles and elements of design and their practical uses are stressed in fine arts. Courses include beginning and intermediate drawing, sculpture, printmaking, and painting.

Students in applied art make use of materials such as cloth, thread, wire, and clay. The pleasure of good workmanship is stressed. Textile design, ceramics, and woodwork may be taken as full semester courses.

The Art Department also makes many publicity posters seen around the school, and scenery for school plays.

Miss Skarshaug, applied arts teacher, helps Terry Manteith with a wood project.

Mr. Charles Mahaffey is shown here directing the band during a rehearsal.

## Music Provides Enjoyment

Adding much to the enjoyment of East High is the Music Department. Our band, consisting of eighty-two members, provides music for assemblies, games, and various other school activities. Besides the enjoyment of playing for school events, the players learn to appreciate and understand music.

The Girls' and Boys' Glee Clubs and the A Cappella Choir, directed by Mrs. Lutz, are the performing groups in the Vocal Music Department. These groups perform at assemblies, other schools, and at several school functions.

It is the privilege and proper condition of a human being, arrived at the maturity of his faculties, to use and interpret experience in his own way . . . The traditions and customs of other people are, to a certain extent, evidence of what their experience has taught them; presumptive evidence, and as such, have a claim to his deference: but in the first place, their experience may be too narrow; or they may not have interpreted it rightly. Secondly, their interpretation of experience may be correct, but unsuitable to him. Customs are made for customary circumstances, and customary characters; and his circumstances or his character may be uncustomary. Thirdly,

# Graduates '67

though the customs be both good as customs, and suitable to him, yet to conform to custom, merely as custom, does not educate or develop in him any of the qualities which are the instinctive endowment of a human being. The human faculties of perception, judgment, discriminative feeling, mental activity, and even moral preferences are exercised only in making a choice . . . He who lets the world, or his own portion of it, choose his plan of life for him has no need of any other faculty than the apelike one of imitation.

Seniors enjoyed the traditional Breakfast as the kickoff for senior activities.

## 'The Morning' For Breakfast

Activities of 1967 began with the kickoff breakfast held in our cafeteria March 17. The time was 7 a.m. with only "bright-eyed, enthusiastic" seniors present. Decorations of shamrocks, streamers, and leprechauns highlighted the tables and also carried out the theme of "Top o' the Morning to You." A breakfast of orange juice, sweet rolls, coffee, milk, and hot chocolate was served. Cindy Lankford and Paul Erickson were advisers of the event. Mary Morgan and Sherman Rupe were Mistress and Master of Ceremonies. Paul Erickson gave the invocation, and John Rogerson told of upcoming senior events. After the supply of food had been exhausted, the program continued. Skits of the Senior Party, Senior Banquet, Senior Prom, and Graduation provided the final touch of entertainment. The finale of the Senior Breakfast was the singing of "Dear East High."

## Gentlemen's Day Is Madness & Manners

The third annual Gentlemen's Day of East High's Key Club ended with a dramatic display of gentlemanly gestures and profits. Wednesday, November 23, 1966, proved to be the day of reckoning for EHS girls as club members drew tickets of winners. Tickets had been previously sold for 15¢ for a girl to be escorted, have her books carried and doors opened for her.

Mr. Bill Ackerman, sponsor, said that approximately 130 tickets were sold and a profit of \$23 was made.

## Our Foreign Friends

Every year East has several foreign visitors from various countries around the world. On January 3 and 4, 1967, Mr. Dip Manchanda was our visitor from Madras, India. He was traveling across the United States on a business and pleasure trip.

Miss Smith, East High social science teacher, had met Mr. Manchanda and his wife when she was in Germany. She saw them again last summer in Madras, India. He was returning the visit by touring East and speaking to all of Miss Smith's classes. Several lively discussions resulted from questions. Mr. Manchanda was only one of our interesting foreign guests.

Discussing a mutual problem with Mr. Manchanda, a visitor from India, are seniors Marilyn Magdefrau and Steve Ellis.

## Learning To Solve Problems . . . ?

No, this is not the way the Latin American history class has learned to solve international problems. Actually, they are scrambling for candy after breaking a pinata at the Latin American party. At the party the students played games, ate food, and "lived" as Latin Americans.

This is the first year for such a class at East, and the students feel it has been a rewarding experience. This class helps EHS students better understand the world around them.

# Key Club Restores Forgotten Trophies

Displaying some of the Key Club's newly refinished EHS trophies are (left to right) Steve Lehman, vice-president; John Rogerson, president; Gene Strote, member; and Sid Heuton, secretary.

"By showing old triumphs, new school spirit may be aroused," stated John Rogerson, president of Key Club, as he gave one reason the club sponsored the project of rejuvenating old trophies.

The trophies, which dated back to 1940, included not only local and district awards, but also several state championships.

Club members did some of the restoration work themselves. They then hired a local firm to repair all trophies that were actually damaged.

The project was financed through proceeds from club activities.

## '67 Senior Project

As a tribute to their years at EHS, the Senior Class of 1967 financed an engraving of "East High School" to appear on the new South Wing. The letters will be in the same style as those already engraved over the front entrance, and to further enhance the project, lights will be installed to illuminate the sign at night.

As a result of their time and dedication, all Des Moines will look with pride and know where the great traditions and enduring spirit of East High School and Lee Township reside.

Selling EHS T-shirts was one of the ways the Senior Project was financed. Displaying their T-shirts at the Student Council dance are a group of seniors.

## ***Route 67: Road To Victory***

Janine Johnson, our 1966-67 Alumni Queen, highlighted East High's 1966 Homecoming against Tech. The festivities began at the Homecoming assembly with the theme, "Route '67: Road to Victory." John Rogerson acted as master of ceremonies while the Band, Steppers, Majorettes, Flagtwirlers, Boys' Glee Club, Choir, Rhymney Trio, and several small acts entertained the student body. Joline Peterson, 1965 Scarlet Sweetheart, also appeared and officially placed the honors of her position upon Janine. After the Homecoming assembly, other events included the parade and after-game party. The parade, organized by the Social Committee of the Student Council, included ten cars, the East High Band, Scarlet Steppers, Flagtwirlers, Majorettes, and the Mascot, with the lead car driven by the parade's Grand Marshal, Mr. Delbert Van Dorn, Sr.

## ***Spinsters' Spree - - A Knight to Remember***

Jerry Dalbey and Mary Long reign as king and queen of East High's traditional Spinster Spree.

Walking in the court procession, Jerry Dalbey and Mary Long are presented as king and queen.

"Carnival in Camelot—A Knight to Remember" was the theme of this year's annual Spinsters' Spree, held February 18. The various booths which highlighted the carnival were a "marriage" booth, a "dungeon," and a "den of dragons." Merlin the Magician was there to tell fortunes, and there was a special knighting ceremony. In the Student Center, everyone enjoyed dancing to the Don Hoy Combo. Cindy Lewis and Tom Fever were mistress and master of ceremonies for the awarding of prizes and the crowning of the king and queen. The underclassmen attending were also presented. Larry Krpan and Marion Sellers represented the junior class, and Colleen Hall and Rieh Gill represented the sophomore class.

Lila Schoen acts as a witness while Peggy Dennis performs a marriage in the "Marriage Booth."

Ja Anne Albers, Rony Sinnard, Cyndy Rosmussen, and Roger Honsen enjoy dancing to the Dan Hoy Comba.

## ***Presidents of Three Largest Girls' Groups***

CINDY LEWIS

Each year the presidents of three of EHS's major girls' organizations are honored. This year's presidents were Cindy Lewis, Girls' Club president; Julie Jarc, Pep Club president; and Jane Enga, G.R.A. president. These girls play a major part in their respective clubs throughout the year.

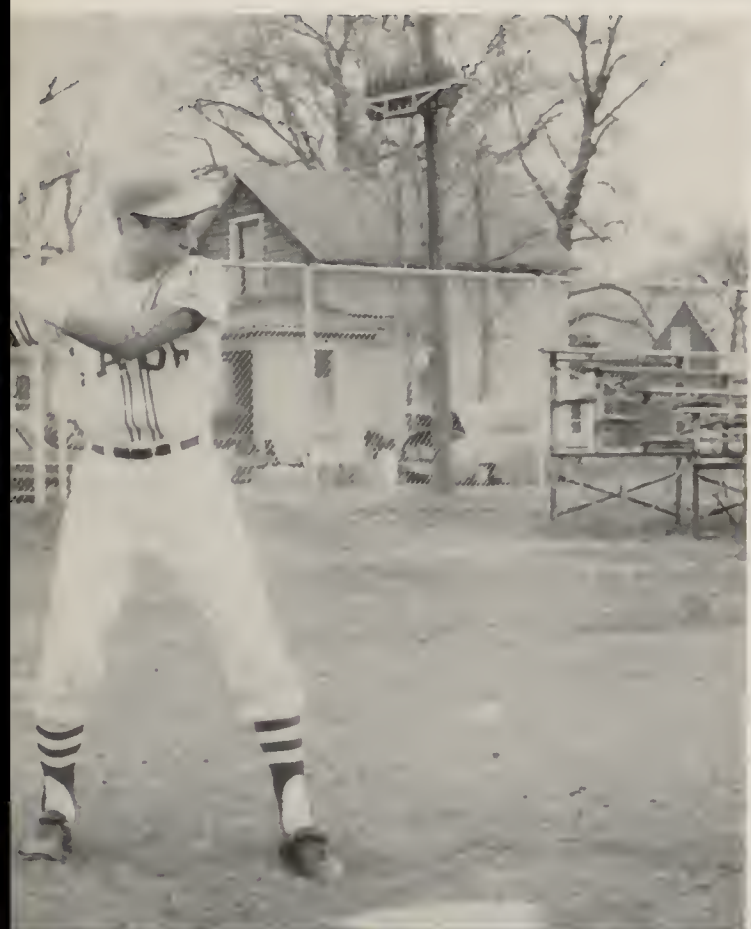

JULIE JARC

JANE ENGA

That man, I think has had a liberal education who has been so trained in youth that his body is the ready servant of his will and does with ease and pleasure all work that, as a mechanism, it is capable of; whose intellect is a clear, cold, logic engine, with all its parts of equal strength, and in smooth working order; ready, like a steam engine, to be turned to any kind of work, and spin the gossamers as well as forge the anchors of the mind; whose mind is stored with knowledge of the great and fundamental truths of Nature and of the laws of her operations; one who, no stunted ascetic, is full of life and fire, but whose Passions are trained to come to heel

by a vigorous will, the servant of a tender conscience; who has learned to love all beauty, whether of Nature or of art, to hate all vileness, and to respect others as himself.

Such a one and no other, I conceive, has had a liberal education; for he is, as completely as a man can be, in harmony with nature. He will make the best of her, and she of him. They will get on together rarely; she as his ever beneficent mother; he as her mouthpiece, her conscious self, her minister and interpreter.

## Reserves Have Potential

This year's sophomore football team was potentially one of the best. The Canaries wound up their season tying for second place in the city. They had a 3-4 season record.

Sophomore football had a large turn-out, so there was a wide range of talents.

Although there were no sophomores on the varsity team this year, Coach Hand felt that the boys had the ability, but there were no positions open. Next year, Coach Hand thinks, there will be a lot of good material for East High's varsity squad.

## Embree Sets 3 Records

The East High swimming team ended its 1966-1967 season with a 6-6 record. The Scarlets placed third in the Boone Invitational and fourth in the City Meet. In City Series competition, the team finished third. Jim Embree finished his third year by adding two new individual records, breaking the 200-yard individual medley and the 100-yard butterfly times by better than two seconds. Breaking the 200-yard medley relay mark this year was a

team composed of Don Brady, Tom Deets, John Carter, and Jim Embree. Eight tankers competed in the state swimming meet, with Jim Embree finishing tenth in both the 200-yard individual medley and the 100-yard butterfly and Don Brady finishing twelfth in the 100-yard backstroke. Adding points with consistent high placing in events were Chuck Webb, Dean Townsend, Bob Proctor, Tom Deets, Rick Strait, and Jim Weston.

After finishing the exhausting 100-yard breaststroke, Bob Proctor is told by teammates Bob Chonnell and Rick Strait that he missed first place by inches.

HEY, RAH, RAH, EAST HIGH! The team gets together after a victorious meet to cheer and congratulate winners.

After the 100-yard breaststroke, the Scarlet Tankers ready themselves for the final event, the 400-yard freestyle relay.

The varsity baseball team of 1967 began the season with nine returning lettermen and two all-city players, seniors John Kelly and Paul Erickson. Ray McAdam, in his first year as varsity coach, expressed high hopes for the team. One of the devices used in practice this year was a pitching machine to enable the pitchers to rest during practice between games. The varsity schedule includes games with city schools, the big six, district, sectional, sub-state, and state.

## SOPHOMORE BASEBALL SCHEDULE

The Sophomore baseball team's season began on April 12th against Lincoln. Playing on the Sophomore team is an excellent way to gain experience for later years on the varsity team. Boys learn better hitting and fielding methods, and pitchers learn control of the ball. Baseball games that the Sophomore team plays include games with city teams only.

The seventeen boys who participated in Cross Country at EHS this year found that endurance was the key to their success. Constant hours of conditioning, running, and dieting proved to be valuable as the harriers compiled a very respectable record for the Scarlets.

Leading the Scarlet team this year was returning letterman Chuck Harlow who placed second and third in the Big Six and City two-mile races respectively.

Jock Johnson demonstrates a "worm-up" exercise he uses in conditioning.

Led by Coach Oxenreider and Assistant Coach Leutzinger, the 1967 Scarlet Track Team boasted experience and enthusiasm for a profitable season. Thirty-six boys gave their time and efforts in helping EHS gain power on the track and field. Highlights of the spring included annual appearances in the Valley Relays at West Des Moines, the Drake Relays, and again as host to the City Outdoor Track Meet at the stadium. Assistant Coach Weberg is not pictured.

## Give Me An "E"!

The Cheerleaders, Flagtwirlers, and Majorettes devote many hours of hard practice to encourage the Scarlet spirit. Performing at athletic events, pep assemblies, Homecoming, and the Drake Relays are some of their responsibilities. A great deal of thanks is owed to Mrs. Knott and Mrs. Abramson, faculty advisers for Cheerleaders, and Mr. Mahaffey, who directs activities of Flagtwirlers and Majorettes.

**ALTERNATE CHEERLEADERS:** Nancy Hayes, Marion Sellers, Cyndy Rasmussen, Shannon Folsom.

**BOY CHEERLEADERS:** Jim Meineke, Chuck Webb, Dean Townsend, Dennis Merritt, George Tucker.

**Mr. Raymond**  
Steppers'  
Adviser

The Scarlet Steppers, under the direction of the Captain Pam Olds and Co-Captain Lana Minks, are an important part of East's athletic life. The Steppers march during the half-time of basketball and football games and also perform at various assemblies during the year. In helping to plan and perfect their drills, Mr. Raymond, the Steppers' adviser, works with the captains. We enjoyed watching the Steppers at their best this year.

## Practice Makes Perfect

Captain Pam Olds and Co-Captain Lana Minks worked hard to make this year's Scarlet Steppers a great success.

The cultured man or the ideal educated man is not necessarily one who is well read or learned, but one who likes and dislikes the right things . . . To be well informed, or to accumulate facts and details, is the easiest of all things. There are many facts in a given historical period that can be easily crammed into our minds, but discernment in the selection of significant facts is a vastly more difficult thing and depends upon one's point of view.

An educated man, therefore, is one who has the right loves and hatreds. This we call taste, and with taste comes charm. Now to have taste or discernment requires a capacity for thinking things

# Activities

through to the bottom, an independence of judgment, and an unwillingness to be bulldozed by any form of humbug, social, political, literary, artistic, or academic. There is no doubt that we are surrounded in adult life with a wealth of humbugs: fame humbugs, wealth humbugs, patriotic humbugs, political humbugs, religious humbugs, and humbug poets, humbug artists, humbug dictators, and humbug psychologists . . . Taste, then is closely associated with courage, and courage, or independence of judgment, as we know, is such a rare virtue among mankind.

"The Importance of Living"

Deadlines were constantly being "met" by the members of the QUILL staff. Jonice Tedrow and George Tucker are seen at the top of this page, working on a layout.

Accents on shomrocks, faod, and skits were used for the Senior Breakfast. "Graduation" was the title of George Clinton's skit as seen in the picture at the top of this page.

Here we've captured one of the many groups which painted signs for games. Fun was had by all, and a few signs were painted, too.

John Rogerson spent an interesting summer in India, preceding his senior year. He is seen here displaying some of his souvenirs.

The Senior Singers were featured in several programs this year. They are seen here during the March "Night of Music." Front (left to right): Cheryl Hasel and Linda Smith. Back (left to right): Donna Winegarden, Barb Sorensen, Becky Anderson, George Tucker, Max LaBlanc, Dave Parker, and Winston Barclay.

Boys! Boys! Boys! This was a scene at the Student Council dance in March. Few danced, but there was much fun. "Captain Beefhart and the Shipwrecks," led by East's George Clinton, Rod Chaffee, Wally Ackerson, and Louie Cauterucci, played in the girls' gym. Grab bag prizes were awarded to participants.

"Tender loving care" went into the cleaning of the school emblem many times this year. A large number of people helped, but only three are pictured here: George Tucker, Cindy Wheeler, and Margaret Walker.

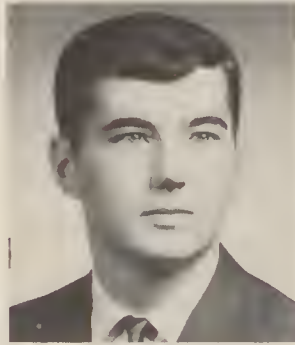

Senior class teachers were "willed" many fine things by the Senior Class during their breakfast. Sherman Rupe (left) and Winston Barclay made the presentations. Miss Arnold received a book of weekend passes to the library!

The Student Council, under the direction of Mr. Samuelson, is the legislative body representing the students. For the first time at East, separate officers were elected for the fall and spring semesters.

The fall Student Council began the projects for the year. One of these was to organize the citizenship committee to enforce rules. The buildings and grounds committee revised the fire drill arrangements. The fall Student Council also began the discussion on new furniture for the Student Center.

The spring Student Council has done much to aid the school and community. As their main project, a drive was begun for new furniture for the Student Center. To gain funds, the Student Council sponsored the April Fool's dance. Another project was to raise money for the Easter Seal Center. Students volunteered to collect for this during spring vacation. The Student Council also worked to improve relations between schools and solve the litter problem in the Student Center.

**MARCIA BEALS**  
All-State Clarinet

A year of hard work, numerous hours of practice, and dedication brought many rewards to the East High Band. During the football season, the band, led by Larry Winegar, marched during half time at many of the games in coordination with the Scarlet Steppers. With the arrival of winter, they became a concert band, playing at pep assemblies and basketball games. The end of the year found the band marching again, for the Drake Relays and Armed Forces Day Parades.

The band provides music at the East-Roosevelt game, as well as other basketball games.

**SYNCHRONETTES:** Row 1: Jean Bruce, Phyllis Schoen, Karen Macaulay, Pat McDaniel, Nancy Lankford; Row 2: Ilze Ievalts, Wanda Buchholz, Becky Watson, Paula Dooley, Jean Winegarden, Helen Althaus, Kathy Fiscel; Row 3: Cheryl Hasel, Donna Winegarden, Carol Jackson, Janine Johnson, Diane Pierson, Sue Threlkeld, Cindy Datts; **Not Pictured:** Joyce Emmons, Linda Fenton, Judy Gurwell, Nancy Kimberling, Kathy Stinson, Miss Stewart (adviser).

This year's Synchronettes, under the supervision of Miss Stewart, gave an excellent performance in their show entitled "Heavenly H<sub>2</sub>O." Traditionally, two solos are performed in the show, one by the Synchronette president, and the other one by a Synchronette chosen for her ability. This year's solos were performed by Janine Johnson and Sue Threlkeld. Also highlighting the show were duct, team, and group routines. The routines presented included fundamental and intricate stunts of water ballet, all skillfully executed.

A few of the senior Synchronettes are seated around the pool. Back row, from left to right: Phyllis Schoen, Joyce Emmons, Nancy Lankford, Wanda Buchholz, Janine Johnson; Kneeling: Cheryl Hasel.

Seated from left to right are the Synchronette officers: Donna Winegarden, Secretary; Cheryl Hasel, Treasurer; Janine Johnson, President; Sue Threlkeld, Vice-President.

"Go red, go black, go East, fight back" were familiar words to all Pep Club members. Encouraging all the students to wear red at the athletic events was one of their responsibilities. Also, numerous hours were spent making victory signs for the lockers of the athletes and for the Student Center.

"The Children's Zoo" were three words that the Girls' Club members will never forget. This year one of their main projects was collecting Pepsi bottle caps to purchase animals for the zoo. They also sponsored the annual Spinster's Spree in February, and the Mother-Daughter Tea in May.

# East Welcomes "Serg"

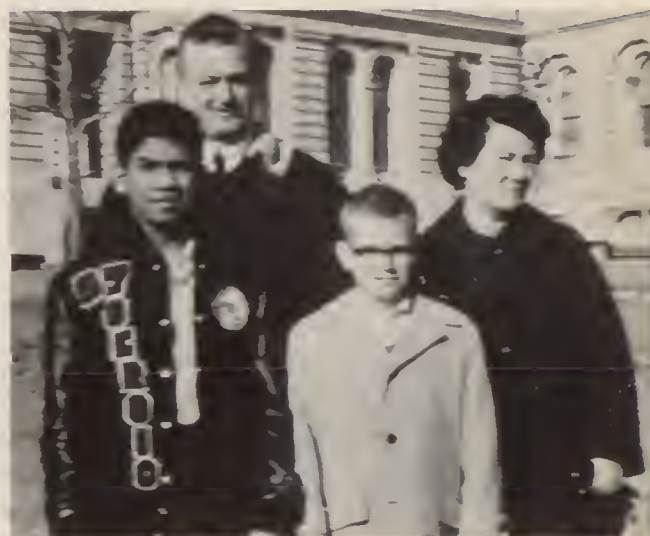

Last August, the Mighty Searlets welcomed their American Field Service student to Des Moines and East High School, greeting Sergio Miranda, Jr., from the Philippines. A long year lay ahead with hundreds of people to meet, dozens of places to see, and countless memories to keep. As that year ends, his first football game with 11,000 screaming fans, Homecoming, pep assemblies, and the enduring Spirit are some of these memories we hope Serg will cherish. And so, Sergio, may you have all the success and happiness life has to offer as you leave with the best hopes and wishes of the students at EHS.

SERGIO MIRANDA, JR.

Leisure time in the Student Center finds Serg (left) showing Phil Pfaltzgraff, Jean Sandquist, and Cheryl Hasel one of many dances performed in his homeland.

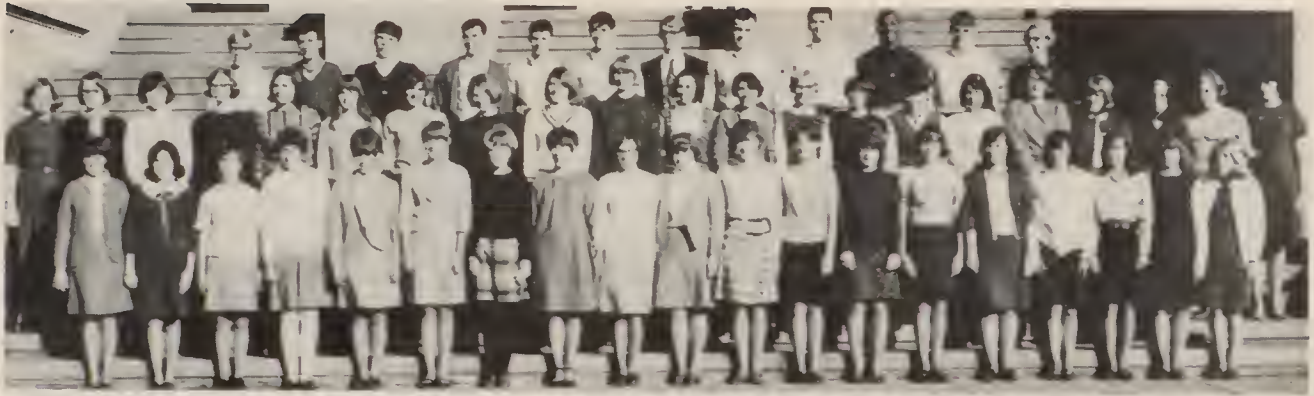

On a recent tour of the Capitol, Serg pauses briefly to pose with his American family: Mr. and Mrs. Lee Leuthauser and son Paul.

Almost as important as the academic side of school is the club life offered at East. This year the Travel Club went to St. Louis, raising the necessary money through projects such as the book store and the candy bar sale.

The Red Cross Club offers the opportunity of community service. It arranged programs for convalescent people in hospitals and prepared kits filled with recreational items for Vietnamese children.

Of benefit when entering the teaching profession is the experience gained from the Future Teachers' Club. Guest speakers provide valuable insight to students who wish to enter this profession.

East's Red Cross representatives Shelley Simpson and Linda Severson look over this year's projects with their adviser, Miss Jones.

The demand for certainty is one which is natural to man, but is nevertheless an intellectual vice. If you take your children for a picnic on a doubtful day, they will demand a dogmatic answer as to whether it will be fine or wet, and be disappointed in you when you cannot be sure. The same sort of assurance is demanded, in later life, of those who undertake to lead populations into the Promised Land. "Liquidate the capitalists and the survivors will enjoy eternal bliss." "Exterminate the Jews and everyone will be virtuous." "Kill the Croats and let the Serbs reign." "Kill the Serbs and let the Croats reign." These are samples of the slogans that have won wide popular

acceptance in our time. Even a modicum of philosophy would make it impossible to accept such blood-thirsty nonsense. But so long as men are not trained to withhold judgment in the absence of evidence, they will be led astray by cocksure prophets, and it is likely that their leaders will be either ignorant fanatics or dishonest charlatans! To endure uncertainty is difficult, but so are most of the other virtues. For the learning of every virtue there is an appropriate discipline, and for the learning of suspended judgment the best discipline is philosophy.

This is not the end, not the beginning of the end.  
This is the end of the very beginning . . .

We have faith in the imperishable dignity of man; in the high vocation to which, throughout this his earthly history, he has been appointed. However, it may be with individual nations, whatever melancholic speculators may assert, it seems a well-ascertained fact that in all times, reckoning even from those of the Heraclides and Pelasgi, the happiness and greatness of mankind at large have been continually progressive. Doubtless this age also is advancing. Its very unrest, its ceaseless activity, its discontent contains matter of promise. Knowledge, education are opening the eyes of the humblest; are increasing the number of thinking minds without limit. This is as it should be; for

not in turning back, not in resisting, but only in resolutely struggling forward, does our life consist.

"He, who has been born, has been a First Man"; has had lying before his young eyes, and as yet unhardened into scientific shapes a world as plastic, infinite, divine, as lay before the eyes of Adam himself. Therein let us have hope and sure faith. To reform a world, to reform a nation, no wise man will undertake; and all but foolish men know, that the only solid, though a far slower reformation, is what each begins and perfects on himself.

Thomas Carlyle

# NOW WHAT?

A future exciting and challenging as never before awaits each of you graduating from high school this year. Yours is the future of the first man on the moon . . . the scientist discovering a long-sought cure . . . a jet pilot circling the earth in 60 minutes. All this and more will be yours, so plan your future carefully . . . wisely. And no matter where you go, or what you do, you can always depend on this full-service bank for help and counsel in planning the best possible future for you.

## **Where does education end?**

Everybody knows  
where education  
begins.

It begins  
with that first  
hungry search  
for nourishment,  
and it goes on  
through that first word  
and that first step  
and that first painful  
punch in the nose.

It grows taller  
as it grows familiar  
with letters  
and numbers  
and names of things  
and names of places,  
and answers increasingly  
more who's  
and what's  
and where's  
and why's  
and how's.

Everybody knows  
where education begins,  
but nobody knows  
where education ends —  
especially yours,  
except you.

And where your  
education ends  
depends mostly on you  
and how well you  
want to be able to answer  
questions like these —  
plus one more question, too,  
asked ever so frequently —  
"What can you do  
for me?"

Your future may be an unknown quantity, but one thing is sure; you can *always* count on high quality standards at McDonald's!

You'll continue to enjoy dining at McDonald's where you can expect the best eating at the lowest prices.

McDonald's hamburgers are 100% pure beef — never frozen meat. Choice quality beef is fresh ground daily and served hot off the grill on toasted buns — the way you like best! Tasty French fries are crisp, golden brown and piping hot. Smooth, cool triple-thick shakes come in your choice of strawberry, chocolate or vanilla. You can be sure everything you order at McDonald's has had the careful preparation good food deserves.

*There's instant service — courteous and friendly — at McDonald's*

The training of a mind is  
an exciting, lifetime  
adventure. The mind may be  
taught, or it may be self-  
trained. But, no matter the  
method used, an education is  
never finished.

If serving your fellow man  
through work in the  
business world seems  
challenging to you, we hope  
you will come see us when  
your school days are over.

Quill Yearbook deadline day!

Teacher: "If there are any morons in the room, please stand up."

A long pause, and a lone senior stood up.

Teacher: "What! Do you consider yourself a moron?"

"Not really, but I do hate to see you standing all alone."

Tom D.: "Brace up, old pal, and assert your rights. Are you a man or a mouse?"

Larry C.: "A man, I guess. My wife is afraid of mice."

Everyone knows that in the United States we have no classes. Furthermore, everyone knows that he belongs to the middle class.

Gene S.: "I'd like to rent a horse."

Stablekeeper: "How long?"

Gene S.: "The longest you got. There'll be five of us going."

6 ft. 7 in. Terry S. was applying for a job as life-guard. "Of course, you can swim?" asked the interviewer.

"Well, no sir, I don't" replied Terry. "But I sure can wade!"

*"Satisfaction Always"*

Each year Youngers offers a program for young people from the Des Moines area high schools . . . TEEN BOARD for junior and senior girls, and ADVISORY BOARD for junior and senior boys. The young people selected to represent their respective schools are chosen for leadership qualities, high scholastic standing, personal recommendations from school administrators and evaluation from members of the retiring boards, plus their interest and ability in retail and fashion. They participate in special fashion shows during the year, give talks in their schools and to other groups on good grooming, publish a monthly newsletter and work in various junior departments each Saturday. Youngers salutes the representatives from East High School for a job very well done.

Left to right: Sandy Samuels, Jenni Fulk, Don Rice and John Rogerson.
